November 22, 1963

On this date, at approximately 12:30 pm, at Dallas, Texas, I was assigned the post of the left rear area on the running board of the Secret Service Follow-up car. At this time, the President and Mrs. Kennedy were riding in the Presidential limousine, about 30 feet in front of my position.

As we approached the underpass leading to the Thornton Freeway, there was little, if any crowd present. I heard three shots fired and observing the President, noticed that he had been struck by at least one bullet, I thought in the head.

I recall a rolling lawn to the right of the area where the President was shot, and seem to also recall an expanse of lawn to the left of the Presidential vehicle.

I attempted to locate the origin of the shots, but was unable to do so. Both the Presidential vehicle and the Secret Service follow-up car immediately sped to the hospital.
